

## „der Radler“ – Bike tours 2023

### Explore Wiesbaden and surroundings on a bicycle!

In 2023 we again prepared attractive tours for you, which lead you by bike paths to the extensions of Taunus slopes, open views onto Wiesbaden and Mainz from the river prospective, or show you the multifaceted cultural landscapes of the environs. Participation in the tours and bike rentals are free of charge (excluding e-bikes). All tours are accompanied by our guides. We stop for a bite to eat and drink.
